International Safety Products

International Safety Products Ltd. is the World's largest manufacturer of marine inflatable lifejackets, and a leading manufacturer/supplier of survival equipment.

We use the very latest in textile technology and pursue an innovative design philosophy, ensuring production of safety equipment capable of performing to the highest standard in the most extreme of conditions.

❖ Riverine Buoyancy Aid (Multi Role)

Purpose

This Buoyancy Aid is primarily designed for river crossing in all geographical areas of extreme and adverse climates. It enables fast, safe transition from shore to shore no matter what MO is used.

Description

The assembly is comprised of an orally inflated waistcoat style buoyancy chamber, fitted with an oral inflation valve, rapid dump valves, front fastening buckles, crotch straps, 2 instant repair patches and a mesh stowage bag.

The Buoyancy Aid has performed well in trials giving the following benefits.

- Donned and inflated in under 2 mins.
- Doffed and restowed in under 1 min.
- Safe, adjustable swimming position.
- Fast easy repairs in under 30 secs.
- Can be repaired by user in any environment.
- Minimal adverse effect on load carried.
- Low profile.
- 5 year service interval.

It is supplied in a vacuum sealed bag and weighing only 0.375kg (13.23oz) can be easily stowed within belt order or burgen. It has been designed in conjunction with and fully trialled by the UK Ministry of Defence and represents the very latest in military safety equipment together with unrivalled durability. The RBA comes complete with CE approval against EN393 CE0120 (test house number).

Technical Data

Buoyancy	150 Newtons
Weight	0.375kgs (13.23oz)
