## Cost Effective Liferaft Solutions

Innovators In Safety

# DUARRY Challenger Liferrafts from ISP

Two of the most experienced marine safety equipment companies in Europe have combined to bring you a full range of Commercial MED approved liferafts.

With a combined 80 years of history behind them, ISP and Duarry know what is required to give the shipowner cost-effective, efficient and high quality, marine safety equipment and service.

Backed by an extensive network of over 150 service stations world-wide, Duarry Challenger Liferrafts from ISP are sold, hired and leased exclusively in the UK by ISP and its key sales and service network. ISP listens to its customer base and provides the cost-effective service support that they demand.

## Throw-Over Liferrafts

Duarry Challenger Liferrafts are manufactured from natural rubber material using the latest innovations in design. With over 40 years experience of manufacturing liferafts, Duarry are able to provide customers and shipowners with reliable solutions on a global basis.

Duarry Challenger Liferrafts are approved to the latest SOLAS 74 Chapter III and amendments, according to MED.

A full range is offered for 6 to 25 person in round containers. 6 person to 12 person (A) or (B) pack, plus 16 person in (B) pack are available as an option with flat GRP containers.

## SOLAS Rescue Boats

### Coming soon...

Duarry and ISP are currently developing a range of SOLAS approved rescue boats.

The boats will have MED approval complying with the latest SOLAS regulations and be available in 6 person configuration in both 4.5 metre and 6 metre sizes.

Using the very latest technologies and design features, the craft are certain to be in demand from the discerning ship owner looking for quality and value for their approved rescue boat fleet.

As with the Duarry Challenger Liferaft range, the boats will be able to be serviced globally by the 150 strong, service station network of factory trained outlets.

## Open Reversible Liferafts (ORIL)

A full range of HSC Open Reversible Liferafts is available from 6 to 65 person capacity with (B) Emergency Packs in flat or round containers.
